Refusal of Government authorities to accept Sirkar coins.

49. ***Mr. G. Naravana Aiyar** (*Kunnatnad* cum *Parur*): Will the Government be pleased to state whether it is a fact that the Government authorities at the salt depot at Munambom invariably refuse to accept Travancore Government coins from the merchants when tendered as the price of salt purchased?

Mr. C. O. Madhavan: Government have no information.

Mr. G. Narayana Aiyar: May I know from the member whether British Indian one anna nickel coins and other copper coins are accepted in Government Treasuries as legal tender?

Mr. C. O. Madhavan: Sir, I do not think that that arises as a supplementary question. The main question relates to the acceptance of Travancore currency at the Munambam Depot. The present question is for the Financial Secretary to answer.

President: I have no objection to the Financial Secretary answering it.

Mr. R. Nilakanta Pillai (*Financial Secretary to Government*): No, they are not legal tender.

Mr. G. Narayana Aiyar: May I know from the member whether such coins are not declared as un-current coins?

Mr. R. Nilakanta Pillai: When remitted by the Post Office or by the Devaswom Department, or the Salt Depot, or the Tobacco Depot, they are accepted in the Treasuries.

Mr. G. Narayana Aiyar: When deposited by private individuals, are they accepted?

Mr. R. Nilakanta Pillai: In case of absolute necessity, they are also accepted. There is no difficulty in regard to these coins.
